Madadeni (Battlefields
route)**

PROVINCIAL CORRIDOR DEVELOPMENT PROGRAMME

- **The eThekwinini / uMhlatuze Corridor**, focusing primarily on development opportunities being presented as part of the La Mercy/DTP Development and creating opportunities for linking and strengthening the second and first economy.
- **eThekwinini / Msunduzi / uMngeni Corridor**, focusing primarily on establishing inter-municipal planning processes to ensure that the development opportunities presented in this region are optimised.
- **Umhlatuze / Ulundi / Vryheid (P 700) Corridor** as a new link between the Richards Bay harbor and Gauteng, focusing primarily on the section between Ulundi and the Cengeni Gate of Umfolozi Game Reserve, and the Ulundi Airport.

PROVINCIAL CORRIDOR DEVELOPMENT PROGRAMME

- **Lebombo SDI Corridor**, focusing primarily on Developments along the southern and eastern sections of the Pongola Poort Dam, tourism facilities along the new SDI Route to Mozambique, large scale agricultural development and enhancing the development opportunities related to the Greater St Lucia Wetland Park.
- **Port Shepstone / St Faiths / Ixopo Corridor**, focusing primarily on Developing a direct link between the Southern Drakensberg and the Coastal areas to expand the basket of tourist destinations and spending options.
- **Battlefields Route Corridor (Umzinyathi)**, focusing primarily on the route between Dundee and Greytown via Msinga, as a priority for the further development of the battlefields routes of the Province.
